

## TOP 3

*What makes the Airport a community? It is the special people, and the different facilities and activities that make the Guam International Airport a great place to work and travel. See our top 3 picks of what you need to know, and get the latest news about YOUR airport!*

### PEOPLE

Captain Ari Fuji , Pilot Instructors & Pilot Trainees Japan Airlines

Captain Ari Fuji, the first female commercial captain pilot in Japan and Japan Airlines, was one of four flight instructors training 8 pilot interns on JAL's B737-800 aircraft at the Guam International Airport from October 11 through 20, 2021. Congratulations to the interns for their completion of training.

### PLACES

TSA Screening 2nd Floor Main Terminal

The TSA Screening Area on the 2nd floor is strictly limited to ticketed, departing passengers only. This came into effect October 25, 2021.

### EVENTS

"Final Pour" Aircraft Rescue & Fire Fighting Building

A "Final Pour" event was held on October 27, 2021 to commemorate the last concrete poured on the new \$21.1M Aircraft Rescue and Firefighting facility rooftop. The ARFF facility is anticipated for completion in the 1st quarter of 2022.

The A. B. Won Pat International Airport Authority, Guam is a self-sustaining autonomous government agency, charged with the mission to ensure the safety and security of the traveling public, maintain superior and reliable level of airport services, and support the development of air services and facilities which are integral to the island's economic growth.
