U.S. GOVERNMENT AUTHORIZATIONS FOR FOREIGN CARRIERS

U.S. STATE DEPARTMENT

Any airline of a foreign country that wants to conduct commercial operations in foreign air transportation to/from the United States must obtain two authorizations from the US Department of State:

- **Economic Authority** from the Office of the Secretary of Transportation
For economic authority, please visit: <https://www.transportation.gov/policy/aviation-policy/licensing/foreign-carriers>
- **Safety Authority** from the Federal Aviation Administration (FAA)

Foreign air carriers must also meet licensing requirements of any other applicable U.S. Government agencies.

FEDERAL AVIATION ADMINISTRATION (FAA) CERTIFICATIONS

All foreign carriers must obtain safety authority (commonly referred to as Part 129 Operations Specifications) granted to foreign air carriers by the Federal Aviation Administration (FAA). For safety authority application procedures and related questions, carriers should contact the appropriate FAA field office based upon the geographical location of the carrier's homeland. https://www.faa.gov/about/office_org/field_offices/ifo/

TRANSPORTATION SECURITY ADMINISTRATION (TSA) SECURITY

All foreign carriers must have a TSA approved security program, in compliance with Secure Flight and Crew Vetting Program requirements. More information is available at:

TSA Crew Vetting Program

Department of Homeland Security | Transportation Security Administration
Office of Transportation Threat Assessment and Credentialing
Telephone: 240-568-5350 | Email: 9-AWA-SECURITY@dhs.gov

U.S. CUSTOMS AND BORDER PROTECTION (CBP) REQUIREMENTS

- **Advance Passenger Information System (APIS)**
All passenger and crew information for all souls onboard the aircraft arriving and departing the U.S must be submitted to USCBP. Information is available at the CBP.gov website at: <http://www.cbp.gov/travel/travel-industry-personnel/apis2>.
- **Passenger Reservations/Name Records (PNR)**
For PNR issues contact:

Jeannine Perniciaro
CBPO (Program Manager) | Admissibility and Passenger Programs, Traveler Entry Programs
U.S. Customs and Border Protection (CBP)
Telephone: 240-568-5350 | Email: 9-AWA-SECURITY@dhs.gov
- **Landing Rights**
Please contact the USCBP Port of Entry for landing rights requests, etc. Approval of landing rights are contingent on APIS certification from the CBP National APIS Account Manager which will certify that the carrier is capable of transmitting complete, correct and valid APIS data. CBP Port of Entry contact information is available at the CBP.gov website: <http://www.cbp.gov/contact/ports>.
- **USCBP Bond**
CBP requires carriers to have a bond in place. All bonds are handled by the CBP Office of Administration in Indianapolis. Please go to CBP.gov for information at: <http://www.cbp.gov/trade/bonds>. In addition, there is also has a link for Questions and Answers on CBP Bonds at: <http://www.cbp.gov/document/faqs/questions-and-answers-cbp-bonds>.
- **USCBP Visa Waiver Program Signatory Carrier**
Please go to CBP.gov for information on applying for VWP Signatory Status at: <http://www.cbp.gov/travel/international-visitors/business-pleasure/vwp/signatory-status>. Forward a copy of the approved application to your CBP National APIS Account Manager.

A.B. Won Pat International Airport Authority, Guam (GIAA), is responsible for the operations and maintenance of Guam International Airport. This permit is issued in compliance with Section 1.03 (Commercial Activity), Section 1.04 (Sightseeing Flights), Section 1.05 (Storage of Cargo), Section 1.06 (Parking & Storage of Aircraft), Section 1.07 (Use of Operational Areas), Section 1.09 (Commercial Photography), and Section 9.01 (Operation of Aircraft) of the Guam International Airport Authority Rules and Regulations and subsequent amendments thereto. These Sections require that, unless otherwise provided by a contractual agreement, permission of the Executive Manager must be granted for the use of the Guam International Airport facilities for the above.

SECTION 1 - INFORMATION REQUIRED FROM USER

Permission is requested to use the Guam International Airport. It is understood and agreed that:

- The Permittee named below is granted the non-exclusive right to land at the Guam International Airport for the purpose indicated below and in accordance with general conditions herein setforth in Section 2.
- On-board personnel are not authorized activities except for purposes directly connected with this permit.
- Use is limited to the listed aircraft, period indicated, purpose stated and conditions shown, and is not transferable.
- An approved copy of this permit must be aboard each aircraft using the Guam International Airport.
- The Permittee engages in air transportation as a certificated air carrier and must possess all necessary and current Federal and local governmental approvals to include FAA Operating Certificate, GIAA Aircraft Landing & Facility Use Permit, Radio Facility License, Insurance policies as required, FAA Airworthiness Certificate, and aircraft ownership and/or lease documents.
- The Parties incorporate herein by this reference all provisions lawfully required to be contained herein by any governmental body or agency. The parties hereto acknowledge and are aware that GIAA has the right to use the landing area of the Airport under the Joint Use Agreement (JUA) with the United States Government. It is expressly agreed that in the case of any inconsistency between this permit and said JUA, the latter will govern.

LANDING PERMIT APPLICATION *Foreign & Domestic*

SECTION 2 - GENERAL CONDITIONS *(cont'd)*

- Permittee shall be responsible to report in writing any changes, updates or deletions of the information contained in the application for this Permit to the Executive Manager, GIAA, and all changes shall be subject to prior approval by the Executive Manager through a written/numbered amendment duly executed on behalf of the parties and attached hereto.
- This permit may be revoked by GIAA for failure to comply with existing GIAA Rules and Regulations, incorporated herein by reference. Particular attention is directed to Section 1.02 (Compliance with Rules and Regulations), Section 1.08 (Payment of Charges), Section 13.06 (Application of Rules and Regulations); Article VII (Taxing Rules); Article VIII (Rules for Ground Operation of Aircraft); Article IX (Conditions on Use of Air Terminal - General); and Article XIV (Rates, Fees and Charges.)
- Permittee agrees to adhere to all airport security regulations under FAA Part 107 and the GIAA Airport Security Program, as they may be amended, which are incorporated herein by reference. Permittee will be held responsible and liable for any and all violations of security in its activities to include the payment of fines or penalties resulting from any violations.
- Permittee shall pay all fees and charges in connection with its use of GIA and in accordance with the Airport Tariff Schedule, which may be subsequently amended, to GIAA, P.O. Box 8770, Tamuning, Guam 96931, no later than five (5) days after receipt of any invoice or statement. Failure to do so shall constitute a violation of this permit and GIAA Rules and Regulations. Overdue charges shall bear interest at the rate of 1.8% per annum until paid in full.
- Subject to the terms and provisions of all local and federal rules and regulations and agreements. The Permittee shall be entitled to the use, in common with others authorized to do so, of the airport appurtenances, together with all facilities, equipment, improvements and services which have been or may hereafter be provided at or in connection with the Airport for common use, for the sole purpose of activities in connection with air use, without limiting the generality hereof, shall include: The right to land, take-off, fly, taxi, tow, load and unload aircraft and other equipment used by The Permittee in its conduct of air transportation; the repairing, maintaining, conditioning, servicing, testing, parking or storage of aircraft or other equipment operated by Permittee, provided such right shall not be construed as authorizing the conduct of a separate business by Permittee, but shall allow Permittee to perform such functions only as an incident to its conduct of air transportation; and the servicing by Permittee of its aircraft and other equipment operated by Permittee on the apron by truck or otherwise with aviation fuel, propellants, or lubricants, or any other materials or supplies required by Permittee, provided however, GIAA's fuel storage and delivery system must be utilized for such fuel servicing unless it is inoperative.
- The Permittee may perform fueling and servicing of aircraft at its aircraft parking positions as designated by GIAA and may perform any maintenance of aircraft, vehicle or equipment at the locations on the Airport designated by GIAA and in a manner which does not violate applicable fire or building codes, or Authority's Rules and Regulations. Such maintenance activities shall not be unsightly, offensive, or annoying to the public as determined by GIAA. Permittee shall be responsible to keep such maintenance locations free of debris, trash, oil spills, and similar unsightly equipment or materials that may become a health hazard to passengers.
- Either the Permittee or GIAA may terminate this permit at any time upon thirty (30) days written notice to the other party, unless Permittee is in default in which case permit may be immediately revoked. In the event of any termination, Permittee must and shall pay immediately all arrears and current charges in full.
- The Permittee shall submit daily and monthly reports to GIAA covering Permittee's activities as listed below which shall be submitted in writing and signed by a responsible official of the Permittee and subject to audit upon notice from the Executive Manager. Submission of the monthly report shall be no later than the 10th calendar day of the following month. The format of such reports and the contexts thereof may be changed, modified or altered from time to time by GIAA.
Monthly Report Format: a. Passenger counts of arriving, transit, departing, revenue and non-revenue; b. Aircraft landings, to include training flights, touch and go's and technical stops; parking/storage in excess of 6 hours; c. Statistical report showing all mail and cargo pounds/kilos landed and boarded; aircraft fuel boarded stated in U.S. gallons; and d. Additional statistical reports, upon the request by GIAA.
- GIAA reserves the right to revise or impose charges or requirements in which permittee shall be required to immediately comply with and shall be incorporated as an amendment.

SECTION 3 - CERTIFICATION BY INDIVIDUAL OR AUTHORIZED COMPANY REPRESENTATIVE

Permittee and agents have read, understand, and will comply with all pertinent parts of applicable regulations listed herein and local supplements, directives and orders. Such compliance is an express condition of this permit. I certify that the information contained in this permit is true to the best of my knowledge and belief. As a corporate representative, I certify that I have authority to certify this information on behalf of the corporation and hereby designate the aircraft commander as our agent on all matters arising from the use of this permit.
