

Our Airport is a diverse community with special people, places and events that make the Guam International Airport an exciting and unique place to work and travel. See our top three picks of what you need to know, and get the latest news about GUAM's only commercial airport!

PEOPLE

JAL Pilot
Training Program
at GIAA

Japan Airlines (JAL) has been conducting their Pilot Training Program on Guam since 2013. To date 444 cadets, 16 of which are female including Saori Asakura, have successfully completed their hands-on training on JAL aircraft as of July 2022.

PLACES

COVID Testing for
Outbound Travelers
Available @ GIAA

Both COVID-19 antigen and RT-PCR testing are now available at the airport terminal for departing passengers daily between 12pm – 5pm for departing passengers. The test site is operated by the American Medical Center and is located in the basement Arrivals Lobby.

EVENTS

ARFF Tours GNG UH7S2
Lakota Chopper

On June 15, 2022, ARFF Firefighters and apprentices were given a familiarization tour of the Guam National Guard's (GNG) UH72 Lakota Helicopter that was parked at Spot 7 on the Airport's South Ramp.

The A.B. Won Pat International Airport Authority, Guam (GIAA) is a self-sustaining autonomous government agency, charged with the mission to ensure the safety and security of the traveling public, maintain superior and reliable level of airport services, and support the development of air services and facilities which are integral to the island's economic growth.

GIAA Airport Police K-9 Unit Demonstrates for GDOE DYA Summer Interns

Thirty-two (32) student interns under the GDOE DYA Summer Program have been assigned to the A.B. Won Pat International Airport Authority, Guam (GIAA). The program began June 30th and will end July 29th. The interns have been familiarizing themselves with the myriad functions and areas of the airport. On Wednesday, July 6th, they had a full tour of the terminal to include the International Arrivals Corridor and were treated to a demonstration by the TSA-trained and certified K-9 Unit of the Airport Police Division.

ARFF Certifies Mobile Tanker

Assistant ARFF Fire Chief Ray Santos reviews all the necessary requirements for certification of ground handler Menzies mobile tanker, which was recently refurbished, just in time to respond to airline needs with increased flight activity.

Airport Police Community Outreach

Airport Police Officers continued their community outreach efforts by participating in a Department of Youth Affairs (DYA) summer camp program, with anti-bullying and anti-drug messaging and a demonstration by GIAA's bomb-detecting K-9 Unit.

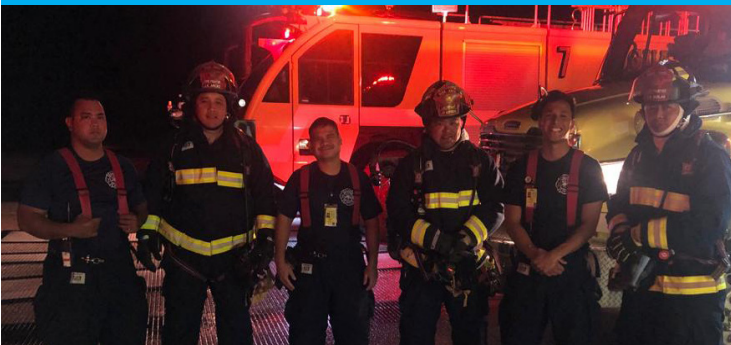

Airport Police Officers Officially Graduate with LEO Cohorts

Pictured above, Airport Police Officers Ethan-Jay Reyes, Rai Santos, Donovan Villagomez, Tiana Perez, Tommy Naputi, Jaylene Cabrera, Alan Gillan, Mark Blas, Jr., & Jonathan Onedera officially graduated with their fellow law enforcement cohorts from the Guam Police Department (GPD), the Port Authority

Police (PAG) and the Department of Corrections (DOC) on Friday, June 17, 2022 as part of GPD's 12th Training Cycle. These new Airport Police Officers must have a critical understanding of regulatory and security mandates under Federal Air Regulations Part 139 which govern airports and air transportation in the U.S.

GIAA Operations Activates Timed Response Drill to Test ARFF Readiness

Pictured at left, are GIAA ARFF Firefighters, Kagan Rabago, Johnny K. Arceo, Cristian N.A. Castro, Jeffrey P. Nededog, Matthew Robles, & Randy M. Sablan were the ARFF platoon on duty the evening of June 20th when the Airport Operations Duty Manager, NAME, activated a timed response drill to test th ARFF's response readiness. Upon activation, the Airport ARFF team has to gear-up in their firefighting proximiy suits and deploy with fire trucks to anywhere on our airfield within 3 to 5 minutes. To ensure that ever-ready to respond to any airport emergency, they are routinely tested to keep them on the ready and to meet FAA certification requirements.

CAHA Visits to Review Airport Art

GIAA Dep. Executive Manager Artemio "Ricky" Hernandez, PhD, along with Airport Services Manager Jean Arriola led a tour of the Airport artwork with Guam Council on the Arts & Humanities (CAHA) Director, Sandra Flores and Prog. Coordinator Angie Taitague. **Pictured at left,** in front of art piece #91 Wyland's Whaling Wall are GIAA staff Elfrie Koshiba, DEM Hernandez, ASM Arriola, Vanessa Pangindian, PC Taitague, Marlene Pinaula, Dir. Flores and Marcia Taitano.

Aircraft for Regional Commuter Service

On June 19th, the Tecnam P2012 Traveller aircraft **pictured above** began its long journey en route to its new home in the Pacific. The twin engine utility aircraft was manufactured by Costruzioni Aeronautiche Tecnam, based in Capua, Italy. Upon arrival in the Commonwealth of the Northern Marianas, it will provide much-needed commuter air service between the Marianas islands as part of Marianas Southern Airways.
