## AIRPORT POLICE IN THE SPOTLIGHT!

### NATIONAL LAW ENFORCEMENT APPRECIATION DAY (January 9, 2022)

We join the nation in recognizing our law enforcement division - the Airport Police - on National Law Enforcement Appreciation Day! Airport Police balance the requirements of providing safety and security for Guam's only commercial airport with millions of passengers a year and a workforce base of over 2,500 employees. They protect critical infrastructure, specialty equipment, and a highly transient population, with the needs of protecting airport facilities and land areas covering Route 10A, Tiyan Business Park, Airport Industrial Park and South Ramp Areas, as well as response to emergencies on Route 16, Marine Corps Drive and Route 8, when necessary. Thank you to Airport Police for maintaining safety and security at the Airport and surrounding areas!

Airport Police take part in the Office of Highway Safety community outreach at the Agana Shopping Center, reminding all to drive safely and wear seatbelts this holiday season! Front row, L-R: SG Arnold Fabriga and APOII Cameron Chaco. Back row, L-R: LT. Raymond Reyes, LT Fidel Masga, APOI Jonovan Terlaje, LT Andrew Atoigue, and APOI Phillip Blas.

K-9 "Rex", and his handler conduct inspections on baggage in the Ticketing/Check In lobby. Rex is fully certified and trained in explosive detection in the transportation domain, and a deterrent to terrorism.
