Bolton: Trump sought Xi's reelection help

WASHINGTON (Reuters) - In a withering behind-the-scenes portrayal, President Donald Trump's former national security adviser John Bolton accused him of sweeping misdeeds that included explicitly seeking Chinese President Xi Jinping's help to win re-election.

Bolton, a longtime foreign policy hawk who Trump fired in September over policy differences, also said that the U.S. president had expressed a willingness to halt criminal investigations to give "personal favors to dictators he liked," according to a book excerpt published in the New York Times.

The White House attacked Bolton but did not comment directly on excerpts from 'The Room Where It Happened: A White House Memoir' that was published on Wednesday in the Wall Street Journal, the New York Times and the Washington Post.

The accusations are part of a book that the U.S. government on Tuesday sued to block Bolton from publishing, arguing it contained classified information and would compromise national security. The government is seeking a court hearing on Friday.

Together, they portray a U.S. president mocked by his top advisers who exposed himself to far more extensive accusations of impropriety than those that drove the Democratic-led House of Representatives to impeach Trump last year.

The Republican-led Senate acquitted Trump in early February. Trump was accused of withholding U.S. military aid last year to put pressure on newly-elected Ukrainian President Volodymyr Zelensky to provide damaging information on Democratic political opponent Joe Biden.

"Had Democratic impeachment advocates not been so obsessed with their Ukraine blitzkrieg in 2019, had they taken the time to inquire more systematically about Trump's behavior across his entire foreign policy, the impeachment outcome might well have been different," Bolton wrote, according to excerpts of his book published in the Wall Street Journal.

Schiff: 'He saved it for a book'

Critics of Bolton note he declined to testify before the House inquiry when his disclosures could have been critical, adhering instead to White House guidance.

Representative Adam Schiff, the California Democrat who led the prosecution of Republican Trump, slammed Bolton for saying at the time that "he'd sue if subpoenaed."

"Instead, he saved it for a book," Schiff said on Twitter. "Bolton may be an author, but he's no patriot."

COVID-19 cases surge in Oklahoma ahead of Trump's Tulsa rally

PHOENIX (Reuters) - Several U.S. states including Oklahoma reported a surge in new coronavirus infections on Wednesday, just days before a planned campaign rally for President Donald Trump in Tulsa that will rank as the nation's largest social gathering in fewer than three months.

An uptick in coronavirus cases in many states over the past two weeks, along with rising COVID-19 hospitalizations, reflected a troubling national trend that has seen daily U.S. infection numbers climbing after more than a month of declines.

Oklahoma reported a record 259 new cases over the previous 24 hours, while Florida reported more than 2,600 new cases and Arizona more than 1,800 - the second-highest daily increases for those two states.

In Arizona, where doctors, nurses and health administrators called for making face coverings mandatory statewide in public places, Gov. Doug Ducey said he would let local officials decide whether to impose such rules and how to enforce them.

"If you do go out, wear a mask. It's the smart thing to do," he said.

Critics of Bolton note he declined to testify before the House inquiry when his disclosures could have been critical, adhering instead to White House guidance.

Oklahoma reported a record 259 new cases over the previous 24 hours, while Florida reported more than 2,600 new cases and Arizona more than 1,800 - the second-highest daily increases for those two states.

In Arizona, where doctors, nurses and health administrators called for making face coverings mandatory statewide in public places, Gov. Doug Ducey said he would let local officials decide whether to impose such rules and how to enforce them.

"If you do go out, wear a mask. It's the smart thing to do," he said.

Phoenix Mayor Kate Gallego immediately tweeted that a vote on a proposed ordinance to require face masks outdoors in the nation's fifth-largest city would go on the agenda for the city council's next meeting.

Texas reported 3,100 new coronavirus cases on Wednesday, its biggest single-day tally yet, along with another all-time high for COVID-19 hospitalizations - nearly 2,900 patients. That marks the sixth straight day in which the number of patients currently admitted for the highly contagious respiratory virus has reached record numbers in Texas.

While Texas has not reported how many of its hospitalized COVID-19 patients are admitted to intensive care units, 1,500 ICU beds are available statewide, including 200 in the Houston area, a state website (here) said.

The daily count of infections also hit a new benchmark in California, with more than 4,000 cases recorded statewide on Wednesday. Los Angeles County alone reported its largest daily increase of over 2,100 new cases on Wednesday, though several hundred were attributed to a backlog in test results released all at once.

Trump's political team, meanwhile, forged ahead with plans for a campaign rally on Saturday in Tulsa, his first such event since stay-at-home restrictions were imposed across much of the country in March to fight the coronavirus.
Trial set for child porn defendant

By Nick Delgado
nick@postguam.com

A former Guam National Guard sergeant facing federal charges of producing child pornography is scheduled to go to trial in the District Court of Guam this September. Jerry Thomas Guerrero II appeared via video conference before Chief Judge Frances Tydingco-Gatewood for a status hearing on Tuesday.

Guerrero’s attorney Jay Arriola told the court that the pandemic and ongoing lockdown in the state of Arizona has caused delays, adding that is where the evidence is located.

It was also said during the hearing that more than half of potential jurors recently questioned have responded that they are either not comfortable or somewhat uncomfortable with reporting for jury duty during the ongoing pandemic.

"The community is not excited to come to a non-COVID-free Guam courthouse," said Tydingco-Gatewood.

Another status hearing has been scheduled for July 8.

Guerrero faces up to 30 years in prison if convicted.

In July 2019, federal agents arrested Guerrero at the National Guard Readiness Center in Barrigada. The arrest is a "direct result of the work being done by the Mariana's Child Exploitation/Human Trafficking Task Force to prevent, stop and counter all threats of abuse and exploitation to children living in Guam and the CNMI," the FBI stated.

Guerrero also faced criminal charges in the Superior Court of Guam for allegedly engaging in sexual acts with a 14-year-old girl and recording videos of the acts in 2018, Post files state.

Guerrero had been in the Guard for 10 years, but his military obligation expired in July of last year and he did not reenlist, Post files state.

Court trying to locate man accused of selling turtles

By Nick Delgado
nick@postguam.com

A summons was issued for federal defendant Juliano J. Manuel, who stands accused of illegally taking and selling two green sea turtles.

His case went before District Court of Guam Magistrate Judge Michael Bordallo on Tuesday for a status hearing.

It was said in court that efforts are ongoing to locate Manuel so he can answer to the charges. The hearing was continued for another 30 days.

Information filed in federal court earlier this month charged him with two counts of possession of a threatened species and two counts of sale of a threatened species.

The crime is charged as a misdemeanor in federal court. Federal and local endangered species laws state that it is illegal to capture, harass, possess, buy, sell or transport the sea turtles or any part of the turtles including the eggs, shells, shell jewelry and meat, according to Guamedia.com.

Democrats respond to criticism on Adelup breezeway

By John O'Connor
john@postguam.com

The Democratic Party of Guam has responded to critics over its use of the breezeway at Adelup for recent party activities.

"There have been recent concerns over the use of the Adelup breezeway for recent party events," the organization stated in a release.

"The area used is a public space available to all regardless of their political affiliation with the knowledge of the governor’s office. The Adelup breezeway is situated between the governor’s complex and public land overseen by the Department of Parks and Recreation. As a courtesy to both entities, the DPAL gave notice to these offices, " the release added.

Ken Leon-Guerrero, a potential senatorial candidate who has raised issues with the party’s use of the breezeway, told The Guam Daily Post that the local Democratic party and Democratic leadership at Adelup and the Legislature have failed to answer questions about their violation of the law against using a government facility for partisan political purposes.

"Their inaccurate declaration that the area is a public space available to all regardless of political affiliation was proven false when last month a group of 25 protesters were prevented from protesting on Adelup grounds by police officers backed up by a SWAT unit," Leon-Guerrero said.

"It was also proven false on Saturday when I asked why (Republicans) weren’t invited and was informed that the event was for Democrat candidates only."

The Guam Visitors Bureau and the Islandwide Beautification Taskforce will host an Islandwide Beautification Cleanup on Saturday, June 27, starting at 8 a.m.

5. OLD BUSINESS
A. Ratification of FAA Grant Agreement - Phase 1A 6L/24R Rehabilitation Project

Mr. Frank Santos informed the Board that the Grant Agreement is for the Runway 6L/24R Rehabilitation Project, specifically for Phase 1A, previously awarded to Hawaiian Rock Products. The Grant was received to fund the Project, and Notice to Proceed to be issued. The source of is from an FAA Supplemental Appropriation made available during FY2019, however the offer was made to the Airport on April 30, 2020. Supplemental Appropriation Grant 3-66-0001-108-2020 (AIP 108) is in the amount of $10M, 90% FAA share, and 10% Airport share; overall the grant is $11M. The Airport's share will be funded by the Restructured Debt Service through the 2019 Bond Refunding.

Mr. Santos announced that Board action is requested to ratify the acceptance of the grant in the amount of $10M, and authorization to utilize the Restructured Debt Service funds in the amount of $1M. Notice to Proceed will be issued in approximately 2-3 weeks from the date of execution. Mr. Santos added that Phase 1B of the referenced Project will be addressed under New Business. B. 3rd Floor CIP - Revised Completion Date/Change Order No. 12

The next item discussed was the 3rd Floor CIP. Executive Manager Ada informed the Board that the Board previously authorized Management to undertake a review of the 3rd Floor Project to verify an updated completion date of the Project. With that, the Executive Manager announced that Mr. Kent Hsieh, KHLG & Associates will present an update to the Board. Mr. Hsieh provided a powerpoint presentation to the Board stating that the Project is at 80% completion.

- Contract DBO: August 4, 2020
- January 2020 P6 Schedule Update shows that the project is scheduled to complete on April 26, 2021
- A January 2020 Hoarding Plan for a Sterile Corridor Phase Plan shows a “Target Finish” of December 1, 2021

Discussion followed relative to the reasons for delays. Chairman Bamba expressed concerns with the delays and the budget. The Chairman requested that the issues be brought to the CIP Committee for further review before coming back to the Board.
Executive Manager Ada advised that there is a Change Order requiring Board action. Chairman Bamba inquired if the Change Order is urgent at this time. Executive Manager Ada announced that the work has already been performed by Black Construction.

Mr. Hseih presented Change Order No. 12. Potential Change Orders (PCO's) included two (2) automatic sliding doors at the sterile corridor; Continuation of Island Certificates Steel Inspections and NDT services; Removal and replacement of W7 Glass Wall panel near Gate 7. Changes were not made to the contract, these were services required to move forward with the Project. Change Order No. 12 is in the amount of $774,000.00. Executive Manager Ada reiterated that services have already been provided. Discussion followed.

Mr. Hseih announced that not approving the Change Order at this time, may cause further delays. Executive Manager Ada advised the Board that at the time the referenced PCO’s came up, it was in full discussion with the Construction Manager, the Contractor and GIAA Engineering, and it was determined at the time that these services were needed.

After further discussion, on motion duly made by Director Taintaongo, seconded by Director Belanger, the following resolution was unanimously approved via roll call vote:

Executive Manager assured the Board, discussion with the CIP Committee regarding the 3rd Floor Project and updated completion date will be scheduled.

**C. Proposed COVID-19 Rent Relief**

Executive Manager Ada announced that Board action is required on a conceptual relief proposal that Management prepared to address the requests received from tenants relative to the hardship due to Covid-19. GIAA Comptroller, Mr. John Rios provided a spreadsheet to show the Board that is financially feasible for the Airport to provide relief to its partners. The spreadsheet provided a look at GIAA's original budget approved by the Board for FY20, and the Covid-19 numbers inclusive of the rent relief as previously mentioned by the Executive Manager. Also included on the spreadsheet was the Covid-19 impact on both revenues and expenditures. Mr. Rios announced that the budgeted amount for enplaned passengers dropped from $1.969M to $1.087M, and Operations & Maintenance (O&M) expenses is forecasting at $49.49M from $53.293, which includes the 15% budget reduction beginning April, the hiring freeze, beginning May, and the five (5) month spending reduction from October 2019. Mr. Rios also covered the additional expenditures due to Covid-19, to include the premium pay for Personnel during the pandemic period in the approximate amount of $1.2M, as well as the procurement of equipment and supplies.
The Comptroller informed the Board that Concession revenue is forecasted to drop from $19.014M to $13.806M, a difference of approximately $5.2M. Addressing the rent relief issue relative to those vendors on a Minimum Annual Guarantee (MAG) rent agreement, the Comptroller explained for the Board’s information that a MAG vendor is required to pay an annual guarantee payment on a monthly basis regardless of sales or a drop in enplanement numbers. A non-MAG vendors' rent is based on percentage of sales. Out of the $5.2M, non-MAG vendors will see a revenue reduction of approximately $2.2M, therefore a rent relief of approximately $3M may be offered for MAG vendors.

Inclusive of the CARES Act of $20.693M, and impacts to revenues and expenditures, GIAA’s Total Airport revenue is forecasted at $72.639M from $77.968. After taking into consideration the O&M expenses, debt service requirements and all other expenditures, GIAA’s total surplus is at $5.7M.

Executive Manager Ada announced that the proposed amount of $3M will provide relief to MAG tenants, such as car rental vendors and Lotte Duty Free Guam. The period of relief will be for three (3) months, from April to June, 2020. The Executive Manager emphasized that even after providing $3M in rent relief, and meeting debt service requirements, GIAA will still have a surplus of approximately $5.7M. The relief will be based on the space that the tenant is occupying, through a fixed rate, across the board to all MAG tenants.

Discussion followed on which tenants are included, with Ms. Jean Arriola adding that all tenants are receiving some type of relief. The first relief package was a deferral of rent for three (3) months, the second package is primarily for tenants under a Minimum Annual Guarantee arrangement and informed the Board that the Executive Manager is also asking the Board for the authority to meet with each of those tenants individually to come up with an acceptable arrangement. Discussion ensued on details of possible arrangement options.

Executive Manager Ada added that Management is comfortable in proposing the $3M relief package to tenants as they have actual information for the month of April, however the months of May and June are still forecasted information, and suggested holding off on any additional relief until the actual information becomes available. Chairman Bamba announced that although he has not been engaged in discussions with the Finance Committee, he is comfortable with the numbers presented.

After further discussion, on motion duly made by Director Tainatongo, seconded by Director Belanger, the following resolution was unanimously approved via roll call vote:

**Resolution No. 20-37**

The Board hereby approves the proposed COVID-19 Rent Relief package in an amount up to $3M to cover the period of April to June, 2020; the Board further authorizes Management to individually meet with tenants that are under MAG arrangements with the Airport to come to mutually agreeable arrangements, subject to legal review.
After further discussion, on motion duly made by Director Belanger, seconded by Director Tainatongo, the following resolution was unanimously approved via roll call vote:

**Resolution No. 20-38**
The Board hereby authorizes Management to meet with tenants individually that are under Minimum Annual Guarantee arrangements with the Airport to come to mutually agreeable rent relief arrangements, subject to legal review.

Only one bidder responded, Hawaiian Rock Products Corporation (HRC), with a bid price exceeding the anticipated phased grant funding. On July 26, 2019, pursuant to Procurement Regulations, GIAA canceled the IFB. At the January 17, 2020 Regular Board meeting, the Board approved the sole source award for Phase 1A to Hawaiian Rock Products Corporation (HRC) in the amount of $10,014,867.60 for a construction period of nine (9) months. Construction for the Project is funded by two (2) separate grant sources from the FAA. The FAA grant previously ratified under Old Business, funded Phase 1A. Management is now prepared to proceed with Phase 1B and request for the Board to approve the sole source award to HRC in the amount of $9,264,620.15. Mr. Santos added that AIP funding for the Project is anticipated for June 2020 in the amount of $11,193,087, FY2020 funding and 100% FAA.

Board action is required to approve the sole source award for Phase 1B to Hawaiian Rock Products Corporation (HRC) in the amount of $9,264,620.15, and to authorize Management to execute the FAA Grant for Phase 1B in the amount of $11,193,087.00. Funding for this project is available under the CIP fund. The project is for a construction period of 180 days upon issuance of notice to proceed.

Chairman Bamba inquired on the work required and if it is considered an urgent project. Ms. Arriola replied, that it is an urgent project, corrosion was found on the pedestals that support the cooling towers.

Chairman Bamba asked how long it has been an issue. Mr. Victor Cruz, GIAA Engineering Supervisor advised the Board that it has been an issue for some time, the steel beams that cooling towers are sitting on are severely corroded, and the concrete pedestals that are supporting the steel beams are also showing some cracks needing repair or reconstruction from the foundation. A collapse of a cooling tower would affect the whole air-conditioning system throughout the terminal building. Discussion ensued.

A total of twenty-nine (29) firms showed their interest by obtaining the RFP package, and sixteen (16) firms submitted proposals before the established deadline. An evaluation committee was established to evaluate the sixteen (16) proposals that were submitted based on the evaluation criteria set forth in the RFP. As a result of the committee's evaluation, the offerors were found to be responsible and responsive and the ranking result is as follows:

Management recommends that the Board approve the ranking results and the contract award to all Offerors for the Architectural, Engineering and Surveying Services contract, subject to negotiation of fair and reasonable fees to be submitted by the Offerors at a time and in a format determined by GIAA.

Ms. Arriola advised the Board that no costs will determined at this time, the rates will be the only thing negotiated at this time. Ms. Arriola added that in the prior contract for similar
services, GIAA engaged twenty-one firms, and only engaged services when needed. Firms were only engaged for non-AIP projects. Discussion followed.

Director Alocrn inquired if the language in the RFP allowed for more than one firm to be awarded. Ms. Arriola replied yes, the RFP allows for one or more to be awarded.

Chairman Bamba asked if there were any anticipated projects that will require the services of the firms. Ms. Arriola replied that there is one project in queue, with regard to renovation of the Customs and Quarantine area in arrivals. Discussion ensued on types of work the firms will doing.

Director Belanger inquired on the previous contract, if all firms were utilized. Ms. Arriola replied no, the Airport did not utilize all firms. Ms. Arriola clarified for the Board, Management would like to award to all sixteen (16) offerors, they will be on an as-needed basis and available to provide services to GIAA when needed, similar to legal services.

Chairman Bamba inquired on the process with regard to approving a dollar amount for each firm. Ms. Ariola explained that after the Board approved the award to all sixteen (16) firms, GIAA will enter into negotiations with each firm to negotiate the fees, which will then lead to the execution of the contracts. The contracts will have work orders, when work is needed, GIAA would negotiate the scope and fees for that work order.

Director Belanger announced that he would like to abstain from voting on the referenced RFP due to a possible conflict of interest.

After further discussion, on motion duly made by Director Tainatongo, seconded by Vice Chairman Sobti, the following resolution was approved via roll call vote with six (6) votes in favor and one (1) abstention:

**Resolution No. 20-43**

**E. Approval of Award for Legal Services – RFP No. RFP-003-FY20**

The next item requiring Board action was the award for Legal Services. Ms. Jean Arriola, Airport Services Manager, announced that she would like to recuse herself from the referenced RFP
due to a conflict of interest, and informed the Board that Mr. Henry Cruz, Supply Management Administrator will present the RFP. Mr. Cruz provided background information to the Board on the referenced RFP including the scope of services, contract term, dates of advertisement of the RFP, proposal submission deadline, and the number of interested proposers. A total of seven (7) firms showed their interest by obtaining the RFP package. An evaluation committee was established to evaluate the two (2) proposals that were submitted before the established deadline, based on the evaluation criteria set forth in the RFP. As a result of the committee’s evaluation, the selected firms were found to be responsible and responsive and the firms in order of their ranking are as follows:

1. Offeror A
2. Offeror B

The term of the contract is for a period of two (2) years with additional three (3) one (1) year option years to be exercised at the sole discretion of GIAA, not to exceed a total contract period of five (5) years and subject to the availability of funding. The said contract will be funded under the Administration Division’s O&M Budget.

On May 29, 2020, a letter was sent from GIAA notifying Offeror 'A' that they are determined to be the highest ranked Offeror and requesting a fee proposal. On June 1, 2020, GIAA received the requested fee proposal from Offeror 'A'. On June 2, 2020, a negotiations meeting was held with Offeror 'A' and the GIAA Negotiations Committee, where it was determined that the fees were consistent with the scope of work presented in the RFP and that they were fair and reasonable. Therefore, Management recommends that the Board approve the ranking results and the contract award to Offeror 'A' for the Legal Services contract, subject to the approval by the Office of the Attorney General of Guam.

Director Alcorn inquired if language was revised from the initial Legal RFP, regarding the number of firms GIAA is authorized to hire. Mr. Cruz replied that language was incorporated, allowing GIAA to hire one (1) or more highest ranked proposers.

Director Belanger asked if GIAA is looking to hire both Offerors. Mr. Cruz informed the Board that Management is recommending that the contract be awarded to Offeror 'A'. Executive Manager Ada clarified by providing a brief timeline on the RFP, stating that the re-solicitation of the said RFP was due to the limiting language in the initial RFP solicitation, that only one (1) law firm may be selected. The Board approved the cancellation and re-solicitation. The language was revised in the current RFP solicitation, giving the Executive Manager the latitude to select one or more law firms. At this time Management would like to only offer the contract to Offeror 'A'. The current firm, Calvo Fisher & Jacob, will continue the legal work they are doing under their current contract, without taking on any new work.

Executive Manager Ada announced that Offeror 'A' is Arriola Law Firm. The current law firm, Calvo Fisher & Jacob, will continue their work on the Lotte Duty Free litigation and other legal
work that they had started. All legal work moving forward will be directed to the new firm. A second contract, is not necessary at this point.

Vice Chair Sobti inquired on the evaluation committee and how GIAA determines the evaluations. Executive Manager Ada replied that the Board meeting material states who was on the evaluation committee and the RFP outlines the criteria and what GIAA is looking for in a firm.

Director Belanger inquired, if additional legal work is required in the future, could Offeror 'B' be asked to put in a proposal for it. The Executive Manager replied yes.

Chairman Bamba asked what did the review include. Mr. Cruz replied that the review included the change in language relative to the number of firms that may be awarded, no other changes.

Chairman Bamba asked if the Board had any concerns before voting. Vice Chairman Sobti announced that he had a conflict of interest and would like to abstain from voting.

After further discussion, on motion duly made by Director Belanger, seconded by Director Weakley, the following resolution was approved via roll call vote, with Directors Weakley, Belanger, Alcorn, Morato and Tainatongo voting in favor; Chairman Bamba voting against; and Vice Chairman Sobti abstaining:

**Resolution No. 20-44**

The Board hereby approves the ranking results as presented and the contract award to Offeror 'A' for Legal Services - RFP No. RFP-003-FY20, as presented, subject to Management's negotiation of fair and reasonable fees, subject to review and approval by the Office of the Attorney General of Guam.

**F. Approval of Award for Airport Business and Finance Consultant – RFP No. RFP-002-FY20**

The next item requiring Board action was the award for Airport Business and Finance Consultant. Mr. Henry Cruz provided background information to the Board on the referenced RFP including the scope of services, contract term, dates of advertisement of the RFP, proposal submission deadline, and the number of interested proposers. A total of fourteen (14) firms showed their interest by obtaining the RFP package. An evaluation committee was established to evaluate the one (1) proposal that was submitted before the established deadline, based on the evaluation criteria set forth in the RFP. As a result of the committee's evaluation, the selected firm was found to be responsible and responsive, and the firm in order of ranking is as follows:

1. Offeror A
The term of the contract is for a period of three (3) years with two (2) one (1) year option years to be exercised at the sole discretion of GIAA, not to exceed a total contract period of five (5) years and subject to the availability of funding. The said contract will be funded under the Administration Division's O&M Budget.

Executive Manager Ada advised the Board that the sole offeror is GIAA's current consultant, Transportation Management Group, LLC (TMG). As a result of the direct efforts of TMG, the firm brought in numerous federal grants to the approximate amount of $51M for FY2020, and currently have $4M in grant applications are underway. The Manager added that the annual contract price of approximately $1.3M for the firm is well worth it, and highly recommends that the Board approve the award to TMG.

Chairman Bamba inquired on the fee for the previous contract. Executive Manager replied $1.1M. Discussion followed.

After further discussion, on motion duly made by Vice Chair Sobti, seconded by Director Belanger, the following resolution was unanimously approved via roll call vote:

Draft Minutes - June 18, 2020
June 22, 2020

Mr. Brian Bamba
Chairman, GIAA Board of Directors
Tamuning, Guam

Chairman Bamba,

RE: Letter of Resignation

I hereby tender my resignation. On May 21st, I celebrated my 71st birthday. And this past weekend, I actually enjoyed celebrating Father's Day with my family. I enjoyed the quality family time and wish to have more of it.

There are good people working at GIAA, and I am confident that the agency will maintain an effective operation to serve our island. I am confident that my sudden departure will not impact GIAA; the airport is in good hands with an effective Board and senior staff and management.

Thank you for the opportunity to have served your GIAA, the Administration and our island.

EXECUTIVE SUMMARY

REQUEST FOR PROPOSALS NO. RFP-003-FY20
LEGAL SERVICES (RE-SOLICITATION)

June 15, 2020

Purpose

Board action is requested to approve the award for Request for Proposals No. RFP-003-FY20 for Legal Services (Re-Solicitation) ("RFP") to the second highest ranked Offeror.

Background

The referenced RFP solicits proposals from professional firms and/or individuals to provide professional expertise in all legal activities and representations such as, but not limited to, litigations, provide professional opinions, legal interpretations, research, for and on behalf of GIAA Management and its Board of Directors.

At the June 2, 2020 regularly scheduled Board of Directors meeting, the Board approved the ranking results and award to Offeror A, the highest ranked offeror.

Pursuant to Section 8: Selection of Best Qualified Offeror and Proposal of Basic Information of the RFP documents, “GIAA reserves the right to award the Legal Services Agreement to one (1) or more firm(s) and/or individual(s) based on the Offerors’ qualification ranking, subject to negotiations and mutual agreement of reasonable rates.”

Proposal Analysis and Evaluation

The Evaluation Committee appointed by me, completed their evaluations of the two (2) proposals based on the evaluation criteria set forth in the RFP. The score sheets were gathered and tabulated by the Procurement Office and the evaluation results in the order of ranking are as follows:

1. Offeror A
2. Offeror B

Legal Review

Upon Board approval, a contract will be forwarded to Legal Counsel for review and approval as to form. The term of the contract is for a period of two (2) years with additional three (3) one (1) year option years to be exercised at the sole discretion of GIAA, not to exceed a total contract period of five (5) years and subject to the availability of funding.
Financial Review

The **Legal Services** contract will be funded under the Administration Division’s O&M Budget.

Recommendation

All offerors have been deemed to have met the standards of responsibility outlined in the Guam Procurement Law & Regulations.

On June 9, 2020, GIAA sent a letter notifying Offeror B that its proposal was determined to be responsive and responsible in accordance to the requirements as set forth in the RFP and subsequently requesting a fee proposal.

On June 11, 2020, GIAA received requested fee proposal from Offeror B. On June 12, 2020, a negotiations meeting was held with Offeror B and the GIAA Negotiations Committee via telephone conference where it was determined that the fees presented by the offeror were consistent with the scope of work presented in the RFP and that they were fair and reasonable.

Therefore, I recommend the Board approve the contract award to **Offeror B** for the **Legal Services** contract, subject to approval of the contract by the Office of the Attorney General of Guam.
MEMORANDUM

   EXECUTIVE MANAGER

FROM: SUPPLY MANAGEMENT ADMINISTRATOR

SUBJECT: EVALUATION AND RECOMMENDATION - REQUEST FOR PROPOSAL (RFP)
         (SUPPLEMENTAL)
         LEGAL SERVICES (RE-SOLICITATION), RFP No. RFP-003-FY20

This memorandum is to supplement the Evaluation and Recommendation memorandum dated May 29, 2020. On the June 2, 2020 regularly scheduled Board of Directors meeting, the GIAA Board of Directors approved the ranking results and the contract award to Offeror A, the highest ranked proposer. Pursuant to Section 8: Selection of Best Qualified Offeror and Proposal of Basic Information of the RFP documents, "GIAA reserves the right to award the Legal Services Agreement to one (1) or more firm(s) and/or individual(s) based on the Offerors' qualification ranking, subject to negotiations and mutual agreement of reasonable rates."

Proposal Review for Responsiveness

The two (2) proposals were reviewed to determine responsiveness, that is, whether or not the offerors submitted all the documents required by the RFP. Both offerors' proposals were deemed responsive.

Evaluation and Selection

Attached for your reference is the summary of the evaluation committee's scores based on the evaluation criteria set forth in the RFP.

The committee completed their evaluations of the two (2) proposals based on the evaluation criteria set forth in the RFP. The scores were tabulated as reflected on the attached summary worksheet. As a result of our tabulation, the firms ranked in the order as follows:

1. Offeror A
2. Offeror B

Recommendation

As a result of our review of the submitted required documents, all offerors have been deemed to have met the standards of responsibility outlined in the Guam Procurement Law & Regulations.
Therefore, management may approve the contract award to the second highest ranked offeror, Offeror B for Legal Services, subject to negotiation of fair and reasonable fees and approval by the GIAA Board of Directors. The term of the contract to be awarded is for a period of two (2) years with additional three (3) one (1) year option years to be exercised at the sole discretion of GIAA, not to exceed a total contract term of five (5) years and subject to the availability of funding and approval by the Office of the Attorney General of Guam.

Any reference to year in this Agreement shall mean a twelve (12) month period. This Agreement may be terminated by either party upon thirty (30) days’ written notice.

SECTION THREE
COMPENSATION

GIAA shall compensate Attorney according to its hourly rate schedule, attached hereto as Exhibit “A”, for actual time devoted to performing the above stated services. If the Guam Procurement Law will be circumvented, then the acquisition must be undertaken by GIAA. INFORMATION TO BE FURNISHED TO ATTORNEY

All information, data, reports, and records as are existing, available, and in GIAA’s custody, and necessary for the carrying out of the services shall be furnished to Attorney without charge by GIAA, and GIAA shall cooperate with Attorney in every reasonable way during all phases of the project. Attorney hereby agrees to indemnify and hold GIAA harmless from any losses, damages, costs, claims, suits and judgments, expenses of any nature or kind, including attorney’s fees, arising from any defects or failures attributable to Attorney’s unreasonable or imprudent reliance on the aforementioned documents.

SECTION THIRTY
WARRANTY AGAINST EMPLOYMENT OF SEX OFFENDERS (P.L. 28-98:2)

Attorney warrants that no person providing services on behalf of Attorney has been convicted of a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in Article 2 of Chapter 28, Title 9 GCA, or an offense in another jurisdiction with, at a minimum, the same elements as such offenses, or who is listed on the Sex Offender Registry.

If any person providing services on behalf of Attorney is convicted of a sex offense under the provisions of Chapter 25 of Title 9 GCA or an offense as defined in Article 2 of Chapter 28, Title 9 GCA or an offense in another jurisdiction with, at a minimum, the same elements as such offenses, or who is listed on the Sex Offender Registry, that such person will immediately be removed from working at said agency and that the Executive Manager be informed of such within twenty-four (24) hours of such conviction.

SECTION THIRTY-ONE
DISPUTES

The Authority and Attorney agree to attempt resolution of all controversies which arise under, or are by virtue of, this Agreement through mutual agreement. If the controversy is not resolved by mutual agreement, then the controversy shall be decided by the Authority in writing within sixty (60) days after Attorney shall request the Authority in writing to issue a final decision. The Authority does not issue a written decision within sixty days after written request for a final decision, or within such longer period as may be agreed upon by the parties, then Attorney may proceed as though the Authority had issued a decision adverse to Attorney.
The Authority shall immediately furnish a copy of the decision to Attorney, by certified mail with a return receipt requested, or by any other method that provides evidence of receipt.

The Authority’s decision shall be final and conclusive, unless fraudulent or unless Attorney appeals the decision as follows:

(A) For disputes involving money owed by or to the Authority under this Agreement, Attorney files appeal of the decision in accordance with the Government Claims Act by filing a government claim with the Authority no later than eighteen months after the decision is rendered by the Authority or from the date when a decision should have been rendered.

(B) For all other disputes arising under this Agreement, Attorney files an appeal with the Office of the Public Accountability pursuant to 5 GCA §§ 5706(a) and 5427(e) within sixty days of the Authority’s decision or from the date the decision should have been made.

Attorney shall exhaust all administrative remedies before filing an action in the Superior Court of Guam in accordance with applicable laws.

Attorney shall comply with the Authority’s decision and proceed diligently with performance of this Agreement pending final resolution by the Superior Court of Guam of any controversy arising under, or by virtue of, this Agreement, except where Attorney claims a material breach of this Agreement by the Authority. However, if the Authority determines in writing that continuation of services under this Agreement is essential to the public’s health or safety, then Attorney shall proceed diligently with performance of the Agreement notwithstanding any claim of material breach by the Authority.

SECTION THIRTY-TWO

A. This Agreement and exhibits or attachments hereto constitute the entire agreement between the parties, and no prior or contemporaneous written or oral promises, representations or assurances shall be deemed to alter the provisions hereof. SECTION THIRTY-FOUR
FEDERAL REQUIREMENTS

The words used in this Section have such meaning as corresponds with their definition or use in Title 49, Code of Federal Regulations, Part 21, (the “Regulations”) as they may be amended from time to time. During the performance of this Agreement, Attorney, for itself, its assignees and successors in interest agrees as follows:

1. **Compliance with Regulations.** Attorney shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter, “DOT”), Regulations, which are herein incorporated by reference and made a part of this Agreement.

2. **Nondiscrimination.** Attorney with regard to the work performed by it during the contract term, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. Attorney shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. **Solicitations for Subcontracts.** Including Procurement of Materials and Equipment. In all notifications either by competitive bidding or negotiation made by Attorney for work to be performed under a subcontract, including procurement of materials and leases of equipment, each potential subcontractor or supplier shall be notified by Attorney of Attorney’s obligations under
this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

4. **Information and Reports.** Attorney shall provide all information and reports required by the Regulations or directive issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration (“FAA”) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, Attorney shall certify to the sponsor or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance.** In the event of Attorney’s noncompliance with the nondiscrimination provisions of this Agreement, the sponsor shall impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

   a. Withholding of payments to Attorney under the contract until the contractor complies, and/or

   b. Cancellation, termination, or suspension of the contract, in whole or in part.

6. **Incorporation of Provisions.** Attorney shall include the provisions of Subparagraphs 1 through 5 of this Section in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. Attorney shall take such action with respect to any subcontract or procurement as the sponsor or the FAA may direct as means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event that a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such discretion, the contractor may request the sponsor and, in addition the contractor may request the United States to enter into such litigation to protect the interests of the United States.
SECTION THIRTY-FIVE
PROCUREMENTS OF FIVE HUNDRED THOUSAND DOLLARS OR MORE

Attorney acknowledges that the Attorney General is the legal advisor during all phases of the solicitation and procurement pursuant to 5 GCA § 5150.

Attorney agrees to follow all the forms and formats required by the Attorney General. In the event Attorney is designated as a Special Assistant Attorney General with regard to said procurement, Attorney agrees to follow all the applicable requirements of that appointment. Attorney agrees to keep the Attorney General informed of all legal matters.

“SAFE TRAVEL” Designation

With the implementation of new and enhanced safety measures, the Guam Airport is in pursuit of the “Safe Travels” Stamp issued by the World Travel & Tourism Council (WTC). The WTC has compiled a standard of global protocols that will rebuild trust & confidence in the traveler. These protocols are dynamic and will be updated as new information and practices in the prevention of viral infection evolves. To receive the designation or “stamp” from WTC of SAFE TRAVEL, the Guam Airport must implement protocols under the guidance of ICAO’s “Takeoff: Guidance for Air Travel through the COVID-19 Public Health Crisis”.
