2. APPROVAL OF AGENDA

At this time Chairman Bamba requested that the agenda be amended to table item Items 6B and 9A.

On motion duly made by Chairman Bamba, seconded by Director Tainatongo, the following resolution was unanimously passed:

Resolution No. 24-25

The Board hereby amends the agenda of the March 26, 2024 regular meeting, to table items 6B and 9A.

3. APPROVAL OF MINUTES

A. March 7, 2024 - Regular Meeting

On motion duly made by Secretary Weakley, seconded by Vice Chairman Sobti, the following resolution was unanimously passed:

Resolution No. 24-26

The Board hereby approves the minutes of the March 7, 2024 regular meeting, subject to corrections.

4. CORRESPONDENCE

Executive Manager Quinata advised there was no Correspondence to report.

5. OLD BUSINESS

Executive Manager Quinata advised there was no Old Business to present.

6. NEW BUSINESS

A. Approval of Ranking of Offerors for Environmental Consulting Services – RFP No. RFP-002-FY24

Board action is requested to approve the ranking results and conditional award for Request for Proposals (RFP) No. RFP-002-FY24, for the Environmental Consulting Services. Deputy Executive Manager Hernandez, provided background information to the Board on the referenced RFP, including the scope of services, contract term, dates that the RFP was published in the newspaper, proposal submission deadline, and the number of interested proposers.

A total of nineteen (19) firms and/or individuals downloaded the RFP package and four (4) firms submitted a proposal before the submission deadline. The proposals were reviewed to determine responsiveness, that is, whether or not the offeror submitted all documents required by the RFP. All four (4) offerors submitted the required documents and were determined to be responsive as outlined in the Guam Procurement Law and Regulations. The Evaluation Committee appointed by the Executive Manager completed their evaluations of the proposal. As a result of the

evaluations, it is determined that Offeror B met the standards of responsibility and responsiveness to perform the required services in accordance with the criteria set forth in the RFP. The score sheets were gathered and tabulated by the Procurement Office.

The Environmental Consulting Services will be funded under Engineering O & M budget. The term of the agreement is for a period of two (2) years with three (3) additional one (1) year options to renew at the sole discretion of GIAA, not to exceed a total term of five (5) years, subject to the availability of funding.

Management recommends that the Board approve the ranking results and the contract award to Offeror B for Environmental Consulting Services subject to negotiation of fair and reasonable fees to be submitted at a time and in a format determined by GIAA. If GIAA is unable to negotiate a contract with the best qualified offeror, the Executive Manager or designee may enter into negotiations with the next most qualified offeror, consistent with the Guam Procurement Law & Regulations and the RFP. Brief discussion ensued relative to scope of services.

After further discussion, on motion duly made by Director Weakley, seconded by Director Tainatongo, the following resolution was unanimously approved:

Resolution No. 24-27

The Board hereby approves the ranking results as presented and the contract award to Offeror 'B' for Environmental Consulting Services – RFP No. RFP-001-FY24, subject to Management's negotiation of fair and reasonable fees and review by Legal Counsel.

Deputy Executive Manager Hernandez announced that Offeror 'B' is PCR Environmental.

B. Approval of GIAA Sustainability Policy - *TABLED*

7. REPORT OF THE EXECUTIVE MANAGER

Reference is made to the Executive Manager's Report included as part of the Board's packet, which was presented by the Executive Manager. The report included brief updates on Airline activity, CIPs, Airport updates, Regulatory updates and other announcements.

Chairman Bamba inquired on the return of low-cost carriers (LCCs) flights. Executive Manager Quinata advised that Management is actively engaging LLC's. Discussion followed on increasing flights.

8. REPORT OF THE COMPTROLLER

Ms. Dafne Mansapit Shimizu, Comptroller reported on the revenues and expenses of the Authority for the month ending **February 29, 2024**. Year-to-date Total Signatory are below Budgeted revenues by **14.3%**. Signatory revenue estimates are based on projections submitted by Signatory airlines and adopted in the annual budget. Year-to-date Total Concession Revenues

are **1.5%** below budget while Passenger Facility Charges are below the budget estimate by **13.1%**. Year-to-date Total Other Revenues, inclusive of non-signatory and non-airlines revenues, are below the budget estimate by **2.6%**. Year-to-date Total Operating Revenues actual of **\$26.9M** is **9.5%** below the budget estimate of **\$29.8M**. Year-to-date Total Operating Expenses are below budget by **25.2%**. Components of this line item include an **3.7%** decrease in Personnel Service, a **32.1%** decrease in Contractual Services, a **78.2%** decrease in Materials & Supplies and a **100.0%** decrease in Equipment/Furnishings from budgeted amounts for these respective categories. The actual year-to-date Net Revenues from Operations of **\$8.8M** represents a **60.2%** increase over the year-to-date budgeted amount of **\$5.5M**. Finally, our year-to-date results for Debt Service Coverage is at **1.82** versus the requirement of **1.25**.

The Comptroller presented the Enplaned Signatory Pax for the Board's information, showing a positive snapshot of enplanements since FY2021. Brief discussion on arrivals.

Chairman Bamba inquired if there are any opportunities to increase cashflow, such as restructuring. The Comptroller advised that the Management team and GIAA consultants are in active discussions. The Deputy Executive Manager also added that there are ongoing discussions with GEDA regarding options to lower debt service along with other avenues. Brief discussion on concession revenue followed.

9. EXECUTIVE SESSION

NOTICE OF PUBLIC HEARING INTENT TO EXTEND EMERGENCY CONTRACT

Tuesday, March 26, 2023 at 10:00 a.m. in GIAA Conference Room (located on the Ground Floor) and by Videoconference and Live Streamed via GIAA website: www.guamairport.com or <https://www.guamairport.com/corporate/about-our-airportmanagement/airport-public-hearing>

AGENDA

1. Call to Order and Attendance
2. Public Comments
3. Adjournment

GIAA's procurement of Management & Infrastructure Support Services to GIAA's Baggage Conveyance System ("services") has been stayed by a protest and subsequent appeal to the Office of the Public Auditor (OPA Case number PA-21-010). The Public Auditor dismissed the appeal, & the matter was appealed to the Superior Court in CV0095-22. In Dec. 2023, the Superior Court remanded the matter back to the OPA where it remains pending. Thus, the stay remains in place. On or about October 26, 2021, GIAA certified and determined the existence of an emergency due to the imminent potential for the interruption of services caused by the protest & pending appeal, the resulting threat to public health, safety & welfare of passengers & users of the airport, & the daily operations of the airport due to such disruption. On or about Nov. 1, 2021, GIAA entered into a contract with Aircraft Services International Group, Inc. dba Menzies Aviation ("Menzies"), procured on an emergency basis in accordance with the Guam Procurement Law & implementing regulations. The contract provided for an initial term of 30 days, and has since been extended as allowed by law. GIAA previously convened public hearings on Dec. 22, 2021, Mar. 24, Jun. 23, Sept. 23, and Dec. 21, 2022, Mar. 22, Jun. 23, Sept. 2023 and Dec. 20, 2023 in order to extend the contract beyond the first, second, third, fourth, fifth, sixth, seventh, eighth & ninth ninety (90) day periods. GIAA has again determined the need, & thus intends, to extend the contract with Menzies beyond a 90 day period. The contract remains limited in scope and duration to meet the needs of the emergency.

Parking is available in the Public Parking Lot. Call the GIAA Procurement Office at (671) 642-5147 for special accommodations. This ad is paid for by GIAA.

- B.** Approval of Draft Rules and Regulation for the Solicitation, Selection, and Award of Concession Contracts for Administrative Adjudication Law Process - *TABLED*
- C.** 2024 Air Service Development Incentives

Acting Executive Manager Hernandez presented the 2024 GIAA Air Service Development Incentive Program for Board consideration. The Manager advised the Board that the program objectives are to attract new entrant air carriers for passenger service to domestic and international routes and/or to expand or increase incumbent air carrier's passenger services to new or existing destinations all toward encouraging the growth of revenue enplaning passengers at GIAA. The Manager went on to provide brief background to the Board, stating that airports and communities use air service incentives in order to attract new air service, both for new entrant carriers to begin service at an airport, or to incumbent carriers at an airport to add new

routes. If an airport receives Airport Improvement Program (AIP) funding from the Federal Aviation Administration (FAA), the airport must comply with a series of grant assurances. In doing so, each airport is responsible for ensuring that its Air Carrier Incentive Program (ACIP) is consistent with these grant obligations, which govern the extent to which an airport sponsor can provide incentives to an air carrier in return for new air service at the airport. In 2010, the FAA published its ACIP Guidebook, which provided detailed guidance on the use of incentives for air carriers. December 7, 2023, the FAA released a final policy statement that provides guidance to airports on how to determine if its ACIP complies with federal grant obligations with changes and key provisions that may have expanded the opportunities for enhancing air service to the GIAA. The effective date of the FAA's new policy are for any carrier incentives for which contracts are signed after February 5, 2024. Acting Executive Manager Hernandez listed a number of changes, to include:

1. "New Service" Definition: FAA's policy allows airports to incentivize "a significant increase in capacity on pre-existing service to a specific airport destination." However, if an airport includes such incentives in its ACIP, the FAA provides that the incentives (a) are limited to one year, (b) may not discriminate based on whether the frequency addition is from a carrier that already serves the route, (c) cannot be the only type of incentive in the ACIP, and (d) should only apply to increased frequencies that result in a significant net increase in seat capacity to the specific airport destination.
2. "Seasonal Service" Definition: FAA's policy adds a new definition for "seasonal service"—defined as "[n]onstop service that is offered for less than 7 months of the calendar year"—and permits airports to provide incentives for seasonal service for 3 seasons, up to 3 years from the start of the service.
3. Upgauging Practices: FAA's policy allows incentives for upgauging to the extent that they "significantly increase capacity on a pre-existing route." However, if an airport includes such incentives in its ACIP, FAA provides that the incentives (a) are limited to one year, (b) cannot be the only incentive in the ACIP, and (c) should only apply to increase frequencies that result in a significant net increase in seat capacity to the specific airport destination.
4. Limited Budget for ACIP: FAA's policy allows airport sponsors of any size to limit incentives to one carrier in cases where the sponsor has a limited budget, provided that information regarding the ACIP, including the limited availability, is disclosed at least 30 days prior to signing a contract with a carrier.
5. ACIP Transparency: FAA's policy requires airport sponsors to provide notification of the existence of an ACIP and its terms and conditions at least 30 days in advance of signing an incentive agreement with a carrier. This includes publicly disclosing incentives offered; the program eligibility criteria; identification of the targeted and desired new service; and for incentives awarded, a periodic listing of all carriers benefitting from the ACIP, the incentives received, and identification of the incentivized service.

As seasonal service and upgauging practices are new FAA approved incentives, GIAA has incorporated these incentives into the current Air Service Development Incentive Program, last amended in 2017. Acting Executive Manager Hernandez presented the updated Air Service Development Incentive Program for the Board's information. The update will be posted on GIAA's website for reference. Management recommends approval of the update to GIAA's Air Service

Development Incentive Program, as presented. Brief discussion followed relative to program details.

After further discussion, on motion duly made by Secretary Weakley, seconded by Vice Chairman Sobti, the following resolution was unanimously passed:

Resolution No. 24-22

The Board hereby approves the update to the Air Service Development Incentive Program, as presented by Management.

D. Determination of Need for Certain GIAA Properties

The Manager informed the Board that Management seeks the Board of Directors' approval of the Determination of Need (DON) for exceptional term leases for the development of GIAA property for a two (2) year period (March 7, 2024-March 6, 2026). The Manager gave a brief background, stating Public Law 32-040 was enacted on June 11, 2013 and further amended by Public Law 34-099 on May 16, 2018. The laws concern 5 GCA § 5127 in the Procurement Law, which prohibits leases for a term in excess of five years, including extensions, unless a DON is adopted by the Board of Directors justifying a lease term in excess of five (5) years, called an exceptional term contract.

On September 28, 2015 the GIAA Board adopted a DON. Public Law 34-099 specifies that a DON is valid for two (2) years or until an exceptional term contract is executed to fill the stated need, whichever comes first. Since then, GIAA has not had any exceptional term leases, although having significant interest. Acting Executive Manager Hernandez provided the outline of the steps to be taken when soliciting an exceptional term contract to the Board, with the first step being the Board adopting the DON.

1. A Determination of Need ("DON") is adopted by the GIAA Board of Directors justifying the need for a commercial contract, lease, permit, or license with a term longer than five years, including extensions ("exceptional term contract"). A DON is valid for two years or until an exceptional term contract is executed to fill the stated need, whichever comes first.
2. The DON is provided to the Speaker.
3. A Notice of Solicitation is published at least once and at least seven days prior to the date for submissions. The Notice of Solicitation shall contain:
 - A statement that the solicitation is for an exceptional term contract, the term of the contract, and the date of the DON.
4. The solicitation process is carried out, including contract negotiations.
5. Following completion of the above steps, the exceptional term contract shall be transmitted to the Legislature "for approval or disapproval, in whole.
6. Legislative review and approval is as follows:
 - The Legislature shall take action to approve or disapprove the exceptional term contract within sixty (60) calendar days from the date of filing with the Speaker.

- The Legislative Committee having oversight over GIAA shall conduct a public hearing during the sixty (60)-day review period.
 - A Committee Report must be prepared and submitted to the Legislature.
 - The sixty (60) day period is tolled from the time that a public hearing is noticed until a Committee Report is completed.
7. The approval of the exceptional term contract shall be by enactment of law.
 8. A public record must be maintained, to include the DON and any modification, amendment, exercise of option or renewal, or extension of the exceptional term contract.

The Manager went on to add that in order to attract any potential interest for substantial development, especially the development of raw land, business arrangements are generally accomplished under a stable and predictable lease of sufficient term (up to 30 to 50 years) with capital investments ranging from \$1 million to an excess of \$200 million. The Manager announced that these exceptional term leases do not just benefit the Authority and its stakeholders. There are substantial benefits to the island community and economy. Discussion followed.

After further discussion, on motion duly made by Director Morato, seconded by Secretary Weakley, the following resolution was unanimously passed:

Resolution No. 24-23

The Board hereby adopts the Determination of Need (DON) for exceptional term leases for the development of GIAA property for a two (2) year period (March 7, 2024 to March 6, 2026), as presented by Management.

7. REPORT OF THE EXECUTIVE MANAGER

Reference is made to the Executive Manager’s Report included as part of the Board’s packet, which was presented by Acting Executive Manger Hernandez. The report included brief updates on Airline activity, CIPs, Airport updates, Regulatory updates and other announcements.

EXECUTIVE SUMMARY

REQUEST FOR PROPOSALS (RFP) NO. RFP-002-FY24

ENVIRONMENTAL CONSULTING SERVICES

March 26, 2024

Purpose

Board action is requested to approve the ranking results and conditional award for Request for Proposals (RFP) No. RFP-002-FY24, for the Environmental Consulting Services.

Background

The referenced Request for Proposals (RFP) solicits interest from qualified firms and/or individuals to conduct Environmental Consulting Services for the Antonio B. Won Pat International Airport, Guam ("GIAA") to ensure continued and maximum compliance and adherence with ongoing federal and local environmental requirements. The proposed scope of services includes but it not limited to the following; inspection and remediation services in accordance with GIAA's storm water management program, evaluation of existing oil/water separators, surface drainage and detention pond system, sampling and analyses of storm water in Underground Injection Control (UIC) wells, CERCLA and environmental compliance processes, emergency spill response, reporting, environmental compliance and other related services.

Procurement Background

The above referenced RFP was advertised in the local newspaper on February 27, March 5 and 12, 2024. The established deadline to submit proposals was March 19, 2024, at 4:00 p.m.

A total of nineteen (19) firms and/or individuals downloaded the RFP package and four (4) firms submitted a proposal before the submission deadline.

Proposal Evaluation and Selection

The proposals were reviewed to determine responsiveness, that is, whether or not the offeror submitted all documents required by the RFP. All four (4) offerors submitted the required documents and were determined to be responsive as outlined in the Guam Procurement Law and Regulations.

The Evaluation Committee appointed by the Executive Manager completed their evaluations of the proposal. As a result of the evaluations, it is determined that Offeror B met the standards of responsibility and responsiveness to perform the required services in accordance with the criteria set forth in the RFP. The score sheets were gathered and tabulated by the Procurement Office.

Legal Review

Upon Board approval of the ranking results, subject to negotiation of fair and reasonable fees and terms of an agreement, the same will be forwarded to Legal Counsel for review and approval as to form.

Financial Review

The *Environmental Consulting Services* will be funded under Engineering O & M budget.

The term of the agreement is for a period of two (2) years with three (3) additional one (1) year options to renew at the sole discretion of GIAA, not to exceed a total term of five (5) years, subject to the availability of funding.

Recommendation

I recommend that the Board approve the ranking results and the contract award to Offeror B for Environmental Consulting Services subject to negotiation of fair and reasonable fees to be submitted at a time and in a format determined by GIAA.

If GIAA is unable to negotiate a contract with the best qualified offeror, the Executive Manager or designee may enter into negotiations with the next most qualified offeror, consistent with the Guam Procurement Law & Regulations and the RFP.

SUBJECT: **Evaluation and Recommendation**
RFP No. RFP-002-FY24, ENVIRONMENTAL CONSULTING SERVICES

The referenced Request for Proposals (RFP) solicits interest from qualified firms and/or individuals to conduct Environmental Consulting Services for the Antonio B. Won Pat International Airport, Guam ("GIAA") to ensure continued and maximum compliance and adherence with ongoing federal and local environmental requirements.

The advertisement for this RFP was published in a local newspaper on February 27, March 5 and 12, 2024. The deadline to submit proposals was on March 19, 2024 at 4:00 p.m.

A total of nineteen (19) firms and/or individuals downloaded the RFP package, and four (4) firms submitted a proposal before the submission deadline.

Proposal Review for Responsiveness

The proposals were reviewed to determine responsiveness, that is, whether or not the offeror submitted all documents required by the RFP. All four (4) offerors submitted the required documents and were determined to be responsive as outlined in the Guam Procurement Law and Regulations.

Evaluation and Selection

Pursuant to Section 8: Selection of Best Qualified Offeror and Proposal of Basic Information of the RFP, after receipt of the proposal, the GIAA Evaluation Committee conducted an independent evaluation based on the evaluation criteria set forth in the RFP.

The committee appointed by the Executive Manager to evaluate the proposal included the following individuals:

1. Raymond Quintanilla, Airport Operations Superintendent
2. Joseph Javellana, Program Coordinator IV
3. Antonio Laniog, Jr., Engineer III
4. Elpidio Antenor, Engineer III

Evaluation and Recommendation
Request for Proposal No. RFP-002-FY24
Environmental Consulting Services

The committee completed their evaluation, and the scores were tabulated as reflected on the attached summary worksheet. As a result of the tabulation, the proposals were ranked as follows:

1. Offeror B
2. Offeror A (tie)
3. Offeror D (tie)
4. Offeror C

Attached for your reference is the summary of the committee's evaluation scores based on the evaluation criteria set forth in the RFP.

Recommendation

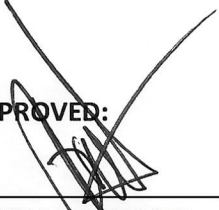

Offeror B is deemed to have met the standards of responsibility and responsiveness as outlined in the Guam Procurement Law & Regulations. Therefore, it is recommended to approve the ranking results and the contract award to the best qualified offeror, **Offeror B** for the Environmental Consulting Services, subject to negotiation of fair and reasonable fees. The term of the contract to be awarded is for a period of two (2) years with three (3) additional one (1) year options to renew at the sole discretion of GIAA, not to exceed a total term of five (5) years, subject to the availability of funding.

If GIAA is unable to negotiate a contract with the best qualified offeror, the Executive Manager or designee may enter into negotiations with the next most qualified offeror, consistent with the Guam Procurement Law & Regulations and the RFP.

Should you have any questions or would like to discuss this matter further, I am available at your request.

AIR SERVICE DEVELOPMENT

United Airlines Haneda Launch Event

A Guam delegation headed by Lt. Governor Joshua Tenorio, along with GVB Chairman George Chiu, GVB President Carl T. C. Gutierrez, GIAA Chairman Brian Bamba and GIAA Executive Manager John M. Quinata, will be attending the official United Airlines announcement and reception of its new route from Haneda (HND) that will operate daily, year-round, commencing on May 1, 2024. This new route increases United's hub activity from Guam of more than 87 flights weekly to 14 destinations and adds to the 32 flights currently operating from Guam to Narita Tokyo. The new Haneda route is significant in Guam's history as the first direct connection to the heart of Tokyo city and greatly enhances Guam as a convenient and preferred destination, joining United's direct service from Haneda to Newark, New York, Washington D.C., Chicago, Los Angeles, and San Francisco.

United's hub operations on Guam currently provides direct services to Osaka, Fukuoka, Nagoya, the islands of the Federated States of Micronesia, the Commonwealth of Northern Mariana Islands, the Marshall Islands, and the Republic of Palau.
