MEMORANDUM

TO: Aircraft Operators & Facility Users - Main Terminal
A.B. Won Pat International Airport Authority, Guam

FROM: JOHN M. QUINATA
Executive Manager

SUBJECT: **AIRPORT RATES, FEES & CHARGES - MAIN TERMINAL**

In accordance with that certain Indenture, dated as of September 1, 2003, relating to the general revenue bonds (Bonds) issued from time to time, the A.B. Won Pat International Airport Authority, Guam (GIAA), GIAA is required to establish rents and fees sufficient to cover its annual operating costs including the debt service obligation under the aforementioned Bonds.

All airline rents and fees (Main Terminal) are established based on a "cost center compensatory" method whereby user fees and charges are calculated to recover the allocated operating costs of the facilities, including all debt service obligations. Henceforth, all rates and fees are subject to annual recalculations based on the then current budget requirements. Notice is hereby issued of the following adjusted rates and fees which shall be effective **October 1, 2026.**
